## About us

Negin Mashhad Carpet Company has started its activity in 1991 as the best collection of Mashhad Industrial Group, relying on 20 years of experience and reformation of structure in the field of machine-made carpet production, and this company during its activity become more powerful, successful and widespread with the tact of managers, effort and hardworking of employees . This development caused most of the prominent carpet manufacturers of the country have proudly chosen the name Negin for themselves. Currently, Negin Mashhad Carpet Company is considered one of the largest and most reliable factories of machine-made carpet and acrylic yarn in terms of good history, variety of production, great quality and meeting the needs of customers, and it is constantly proceeding beyond the expectations of customers. By implementing short-term, medium-term and long-term goals, this company has always moved its path by updating innovative machines and using the latest technology, to the extent that in 2023, it was chosen as a popular brand of machine carpet by the Consumer Rights Protection Association of the country. Negin Carpet Company of Mashhad has emerged as the first manufacturer of machine-made carpets with more than 10 colours and embossed floral carpets in the world and has brought great success to the company. Also, this company with producing acrylic yarn in machine-made carpets in reeds and densities 500 , 700 , 1000 , 1200 , 1500 , has been able to create and produce unique carpets of different designs and styles by relying on quality and innovation. Negin Mashhad Carpet Company, with its great history and your favour , dear and loyal customers, is proud to produce and supply carpets for the Holy Shrine of Imam Reza (AS) for the fourth consecutive year. this is well known as a leading company and a popular brand in the machine-made carpet industry in the country. Also, this company has been able to have an effective and impressive presence across the borders and in foreign markets and export its products to another countries such as Germany,Turkmenistan, Oman, Pakistan, Iraq and Afghanistan.Negin Mashhad Carpet Company believes that a successful industrial unit, in addition to having a continuous effort to expand and flourish in quality, production and export, must also feel a sense of duty towards the society. This belief led us to have an active and useful presence in social services and charity.
